Saying NO to sexualised advertisements

PETITION

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales.

The Petition of residents of the state of New South Wales brings to the attention of the House that inappropriate, offensive and distracting material is being used in advertisements along road sides and on vehicles in New South Wales. The undersigned petitioners therefore ask the Legislative Assembly to ban advertisements on billboards, on the side of roads and vehicles and in public spaces, which:
- advertise adult night clubs, prostitution services, sex aids and other sex-shop merchandise;
- demean women and men by depicting them as mere sex objects;
- use implied or explicit sexual images or words which risk distracting motor vehicle drivers' attention; and
- expose children to developmentally harmful sexualising materials.
