

Saying **NO** to sexualised advertisements

PETITION

To the Legislative Assembly of Victoria

The Petition of the Victorian community draws to the attention of the House that inappropriate, offensive and distracting material is being used in advertisements along Victorian road sides. The petitioners therefore request that the Legislative Assembly of Victoria adheres to the request of us, the undersigned, to ban advertisements on billboards, on the sides of vehicles and in public spaces, which:

- advertise adult night-clubs, prostitution services, sex aids and other sex-shop merchandise;
- demean women and men by depicting them as mere sex objects;
- use implied or explicit sexual images or words which risk distracting motor vehicle drivers' attention; and
- expose children to inappropriate adult material.
